Attachments: image003.jpg; CSIA Sampling Request.pdf

Ms. Fly, Mr. Hannon:

Attached please find a letter requesting permission for access to various monitoring wells associated with the Bethpage Plume. It is noted that both the Navy and Northrop Grumman asked for this in writing at the meeting held on October 29th, 2015 at the USEPA offices in NYC. A hard copy has also been mailed. Thank you.

Stan Carey, Superintendent
Massapequa Water District
